

CITY OF NEWARK, NEW JERSEY

LEO P. CARLIN, MAYOR

Newark Commission for Neighborhood Conservation and Rehabilitation

CITY HALL - ROOM 210

ASHES COLEMAN
CHAIRMAN

DOROTHY H. CRONHEIM
SECRETARY
JAMES P. KING
ASST. DIRECTOR

February 19, 1960

Mr. Stanley B. Winters, President
Clinton Hill Neighborhood Council
26 Shanley Ave.
Newark, N. J.

Dear Mr. Winters:

At its meeting on Tuesday, February 16, the Commission adopted a policy calling for the establishment of area committees in neighborhoods where conservation or rehabilitation projects are undertaken. These committees are designed to help achieve maximum individual and organizational participation in neighborhood renewal projects. Therefore, each is to be composed of direct representatives of the local neighborhood council, of property owners whose structures are located within the boundaries of the project, and of the various groups, organizations, institutions, and firms located within and around the project area.

The first of these committees is to be established in Clinton Hill. Details concerning this new committee will be presented at the Urban Renewal Progress Report Meeting that will be sponsored by NCNCR at Clinton Place Junior High School on Thursday evening, February 25. Further information about the program appears on the attached notice.

As President of your Neighborhood Council, we invite you to attend the meeting to learn first hand about this important new development. At the meeting you also will have an opportunity to raise questions about this new area rehabilitation committee.

In addition, we believe you may want to discuss the relation between the important work of the neighborhood councils and the activities of these new conservation and rehabilitation committees in future renewal project areas. Therefore, the Chairman of NCNCR has asked me to invite you and the other Neighborhood Council Presidents to meet with us for this

purpose at 8 P.M., on Thursday, March 3, 1960 in the Commission's office, Room 210, City Hall. We hope you can attend, but if not, we ask that you send a substitute. In either case, please note whether your Council will be represented and by whom on the enclosed reply card.

Very truly yours,
NEWARK COMMISSION FOR NEIGHBORHOOD
CONSERVATION AND REHABILITATION

Dorothy H. Cronheim
